47 **SECTION 10.1.** G.S. 130A-335(f1) reads as rewritten:

48 "(f1) A preconstruction conference with the owner or developer, or an agent of the owner
49 or developer, and a representative of the local health department shall be required for any

1 the conference, the local health department shall issue a revised authorization for wastewater
 2 system construction that includes current technology that can reasonably be expected to
 3 improve the performance of the system."

4 **SECTION 11.** G.S. 136-93(b) reads as rewritten:

5 "(b) Except as provided in G.S. 136-133.1(g), no vegetation, including any tree, shrub,
 6 or underbrush, in or on any right-of-way of a State road or State highway shall be planted, cut,

16 **SECTION 11.1.** G.S. 143-52.2 is repealed.

 34 application fee if the individual submits another application for a license as a home inspector.
 35 The individual must pay the examination fee, however, to be eligible to take the examination
 36 again. An individual may take the examination only once every 180 days."

37 **SECTION 13.** G.S. 143-151.77 reads as rewritten:

38 **"§ 143-151.77. Enforcement and penalties.**

39 (a) In addition to injunctive relief, the Commissioner may assess and collect a civil
 40 penalty against any person who violates any of the provisions of this Article or rules adopted
 41 pursuant to this Article, as provided in this ~~subsection~~-section. The maximum civil penalty for
 42 a violation is five thousand dollars (\$5,000). A civil penalty may be assessed from the date of
 43 the violation. Each day of a continuing violation may constitute a separate violation.

44 (b) The Commissioner shall determine the amount of the civil penalty and shall notify
 45 the person who is assessed the civil penalty of the amount of the penalty and the reason for
 46 assessing the penalty. The notice of assessment shall be served by any means authorized under
 47 Rule 4 of G.S. 1A-1 and shall direct the violator to either pay the assessment or contest the
 48 assessment within 30 calendar days by filing a petition for a contested case under Article 3 of
 49 Chapter 150B of the General Statutes. If a violator does not pay a civil penalty assessed by the
 50 Commissioner within 30 calendar days after it is due, the Commissioner shall request that the
 51

1 Attorney General institute a civil action to recover the amount of the assessment. The civil
2 action may be brought in the superior court of any county where the violation occurred. A civil
3 action must be filed within one year of the date the assessment was due. An assessment that is
4 not contested is due when the violator is served with a notice of assessment. An assessment that
5 is contested is due at the conclusion of the administrative and judicial review of the assessment.

6 (c) In determining the amount of the penalty, the Commissioner shall consider the
7 degree and extent of harm caused by the violation, the cost of rectifying the damage, the
8 amount of money the violator saved by noncompliance, whether the violation was committed
9 willfully, the prior record of the violator in complying or failing to comply with this Article,
10 and the action of the person to remedy the violation.

11 (d) The clear proceeds of civil penalties collected by the Commissioner under this
12 subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with
13 G.S. 115C-457.2."

14 **SECTION 14.** G.S. 150B-41 reads as rewritten:

15 **"§ 150B-41. Evidence; stipulations; official notice.**

16 (a) In all contested cases, irrelevant, immaterial, and unduly repetitious evidence shall
17 be excluded. Except as otherwise provided, the rules of evidence as applied in the trial division
18 of the General Court of Justice shall be followed; but, when evidence is not reasonably
19 available under such rules to show relevant facts, they may be shown by the most reliable and
20 substantial evidence available. It shall not be necessary for a party or his attorney to object to
21 evidence at the hearing in order to preserve the right to object to its consideration by the agency
22 in reaching its decision, or by the court of judicial review.

23 (b) Evidence in a contested case, including records and documents shall be offered and
24 made a part of the record. Other factual information or evidence shall not be considered in
25 determination of the case, except as permitted under ~~G.S. 150B-30.~~ subsection (d) of this
26 section. Documentary evidence may be received in the form of a copy or excerpt or may be
27 incorporated by reference, if the materials so incorporated are available for examination by the
28 parties. Upon timely request, a party shall be given an opportunity to compare the copy with the
29 original if available.

30 (c) The parties in a contested case under this Article by a stipulation in writing filed
31 with the agency may agree upon any fact involved in the controversy, which stipulation shall be
32 used as evidence at the hearing and be binding on the parties thereto. Parties should agree upon
33 facts when practicable. Except as otherwise provided by law, disposition may be made of a
34 contested case by stipulation, agreed settlement, consent order, waiver, default, or other method
35 agreed upon by the parties.

36 (d) Official notice may be taken of all facts of which judicial notice may be taken and
37 of other facts within the specialized knowledge of the agency. The noticed fact and its source
38 shall be stated and made known to affected parties at the earliest practicable time, and any party
39 shall on timely request be afforded an opportunity to dispute the noticed fact through
40 submission of evidence and argument. An agency may use its experience, technical
41 competence, and specialized knowledge in the evaluation of evidence presented to it."

42 **SECTION 15.(a)** G.S. 153A-357(d) is repealed.

43 **SECTION 15.(b)** G.S. 160A-417(c) is repealed.

44 **SECTION 15.1.** G.S. 160A-58.64 reads as rewritten:

45 **"§ 160A-58.64. Referendum prior to involuntary annexation ordinance.**

46 (a) After the adoption of the resolution of intent under this Part, the municipality shall
47 place the question of annexation on the ballot. The municipal governing board shall notify the
48 appropriate county board or boards of elections of the adoption of the resolution of intent and
49 provide a legible map and clear written description of the proposed annexation area.

1 (b) In accordance with ~~G.S. 163-58.55~~, G.S. 160A-58.55, the municipal governing
2 board shall adopt a resolution setting the date for the referendum and so notify the appropriate
3 county board or boards of elections.

4 (c) The county board or boards of elections shall cause legal notice of the election to be
5 published. That notice shall include the general statement of the referendum. The referendum
6 shall be conducted, returned, and the results declared as in other municipal elections in the
7 municipality. Only registered voters of the proposed annexation area shall be allowed to vote
8 on the referendum.

9 (d) The referendum of any number of proposed involuntary annexations may be
10 submitted at the same election; but as to each proposed involuntary annexation, there shall be
11 an entirely separate ballot question.

12 (e) The ballots used in a referendum shall submit the following proposition:

13 "[] FOR [] AGAINST

14 The annexation of (clear description of the proposed annexation area)."

15 (f) If less than a majority of the votes cast on the referendum are for annexation, the
16 municipal governing body may not proceed with the adoption of the annexation ordinance or
17 begin a separate involuntary annexation process with respect to that proposed annexation area
18 for at least 36 months from the date of the referendum. If a majority of the votes cast on the
19 referendum are for annexation, the municipal governing body may proceed with the adoption of
20 the annexation ordinance under G.S. 160A-58.55."

21 **SECTION 16.(a)** On March 13, 1895, the General Assembly enacted "An act to
22 incorporate the town of Columbus." The act was published in the 1895 "Private Laws of North
23 Carolina," appearing on pages 404 through 406. The session law designation that appears at the
24 beginning of the act is "Chapter 354," although (i) the act is physically located between
25 Chapters 253 and 255, and (ii) pages 404 through 406 have a running header showing Chapter
26 254 as the session law contained on those pages. There is otherwise no Chapter 254 in the 1895
27 "Private Laws of North Carolina," and the last session law in that volume is Chapter 353. It
28 therefore appears that the intended session law designation for the act was Chapter 254 and that
29 the published session law number contains a typographical error. The act has been cited at least
30 once in a subsequent session law as "Chapter 354 of the Private Laws of 1895" and was
31 repealed in Chapter 46 of the 1985 Session Laws ("An act to revise and consolidate the charter
32 of the town of Columbus").

33 **SECTION 16.(b)** To remove any ambiguity, any reference to "Chapter 354" of the
34 1895 Private Laws of this State or to "Chapter 254" of the 1895 Private Laws of this State shall
35 be construed as a reference to the act enacted by the General Assembly on March 13, 1895,
36 entitled "An act to incorporate the town of Columbus."

37 **SECTION 16.1.** Section 5 of S.L. 2011-84 reads as rewritten:

38 "**SECTION 5.** Sections 2, 3, and 4 of this act do not apply to a city or joint agency
39 providing communications service as of January 1, 2011, provided the city or joint agency
40 limits the provision of communications service as provided in G.S. 160A-340.2(c). In the event
41 a city subject to the exemption set forth in this section provides communications service to a
42 customer outside the limits set forth in ~~G.S. 160A-340(e)~~, G.S. 160A-340.2(c), the city shall
43 have 30 days from the date of notice or discovery to cease providing service to the customer
44 without loss of the exemption."

45 **SECTION 17.** Section 60(c) of S.L. 2013-413 reads as rewritten:

46 "**SECTION 60.(c)** This act ~~Part~~ becomes effective July 1, 2015."

48 PART II. ADDITIONAL TECHNICAL CORRECTIONS AND OTHER 49 AMENDMENTS

50 **SECTION 18.** G.S. 1-72.2 reads as rewritten:

51 "**§ 1-72.2. Standing of legislative officers.**

1 The Speaker of the House of Representatives and the President Pro Tempore of the Senate,
2 as agents of the State, shall jointly have standing to intervene on behalf of the General
3 Assembly as a party in any judicial proceeding challenging a North Carolina statute or
4 provision of the North Carolina Constitution. The procedure for interventions at the trial level
5 in State court shall be that set forth in ~~Rule 29~~ Rule 24 of the Rules of Civil Procedure. The
6 procedure for interventions at the appellate level in State court shall be by motion in the
7 appropriate appellate court or by any other relevant procedure set forth in the Rules of
8 Appellate Procedure."

9 **SECTION 18.5.** G.S. 1A-1, Rule 8(a), reads as rewritten:

10 "(a) Claims for relief. – A pleading which sets forth a claim for relief, whether an
11 original claim, counterclaim, crossclaim, or third-party claim shall contain

12 (1) A short and plain statement of the claim sufficiently particular to give the
13 court and the parties notice of the transactions, occurrences, or series of
14 transactions or occurrences, intended to be proved showing that the pleader
15 is entitled to relief, and

16 (2) A demand for judgment for the relief to which he deems himself entitled.
17 Relief in the alternative or of several different types may be demanded. In all
18 negligence actions, and in all claims for punitive damages in any civil action,
19 wherein the matter in controversy exceeds the sum or value of ~~ten thousand~~
20 ~~dollars (\$10,000),~~ twenty-five thousand dollars (\$25,000), the pleading shall
21 not state the demand for monetary relief, but shall state that the relief
22 demanded is for damages incurred or to be incurred in excess of ~~ten~~
23 ~~thousand dollars (\$10,000),~~ twenty-five thousand dollars (\$25,000).
24 However, at any time after service of the claim for relief, any party may
25 request of the claimant a written statement of the monetary relief sought, and
26 the claimant shall, within 30 days after such service, provide such statement,
27 which shall not be filed with the clerk until the action has been called for
28 trial or entry of default entered. Such statement may be amended in the
29 manner and at times as provided by Rule 15."

30 **SECTION 19.(a)** G.S. 7A-228 reads as rewritten:

31 **"§ 7A-228. New trial before magistrate; appeal for trial de novo; how appeal perfected;
32 oral notice; dismissal.**

33 ...

34 (d) When a defendant in a summary ejectment action has given notice of appeal and
35 perfected the appeal in accordance with G.S. 7A-228(b), the plaintiff may serve upon the
36 defendant a motion to dismiss the appeal if the defendant:

37 (1) Failed to raise a defense orally or in writing in the small claims court;

38 (2) Failed to file a motion, answer, or counterclaim in the district court; and

39 (3) Failed to ~~make any payment due under any applicable bond to stay execution~~
40 ~~of the judgment for possession,~~ comply with any obligation set forth in the
41 Bond to Stay Execution on Appeal of Summary Ejectment Judgment entered
42 by the court.

43 The motion to dismiss the appeal shall list all of the deficiencies committed by the defendant,
44 as described in subdivisions (1), (2), and (3) of this subsection, and shall state that the court will
45 decide the motion to dismiss without a hearing if the defendant fails to respond within 10 days
46 of receipt of the motion. The defendant may defeat the motion to dismiss by responding within
47 10 days of receipt of the motion by doing any of the following acts: (i) filing a responsive
48 motion, answer, or counterclaim and serving the plaintiff with a copy thereof or (ii) paying the
49 amount due under the bond to stay ~~execution.~~ execution, if any amount is owed by the
50 defendant. If the defendant is not required by law to make any payment under the bond to stay
51 execution, the court shall not use the failure to make a payment as a basis to dismiss the appeal.

1 The court shall review the file, determine whether the motion satisfies the requirements of this
2 subsection, determine whether the defendant has made a sufficient response to defeat the
3 motion, and shall enter an order resolving the matter without a hearing."

4 **SECTION 19.(b)** This section becomes effective October 1, 2014, and applies to
5 all actions for summary ejectment filed on or after that date.

6 **SECTION 20.** G.S. 7A-273(2) reads as rewritten:

7 "(2) In misdemeanor or infraction cases involving alcohol offenses under Chapter
8 18B of the General Statutes, traffic offenses, hunting, fishing, State park and
9 recreation area rule offenses under Chapter 113 of the General Statutes,
10 boating offenses under Chapter 75A of the General Statutes, open burning
11 offenses under Article 78 of Chapter 106 of the General Statutes, and
12 littering offenses under G.S. 14-399(c) and G.S. 14-399(c1), to accept
13 written appearances, waivers of trial or hearing and pleas of guilty or
14 admissions of responsibility, in accordance with the schedule of offenses and
15 finances or penalties promulgated by the Conference of Chief District Judges
16 pursuant to G.S. 7A-148, and in such cases, to enter judgment and collect the
17 finances or penalties and costs;".

18 **SECTION 21.** G.S. 7B-603(b) reads as rewritten:

19 "(b) An attorney or guardian ad litem appointed pursuant to G.S. 7B-602 or pursuant to
20 any other provision of the Juvenile Code for which the Office of Indigent Defense Services is
21 responsible for providing counsel shall be paid a reasonable fee in accordance with rules
22 adopted by the Office of Indigent Defense Services."

23 **SECTION 22.** Reserved.

24 **SECTION 23.(a)** G.S. 14-258.1, as amended by S.L. 2014-3, reads as rewritten:

9 purpose for which such public records were created; provided, however, that nothing herein
10 shall be construed to permit the withholding of public records relating to general economic
11 development policies or activities. Once the State, a local government, or the specific business
12 has announced a commitment by the business to expand or locate a specific project in this State
13 or the business has made a final decision not to do so, of which the State or local government
14 agency involved with the project knows or should know, and that the business will receive a

25 the State pursuant to Chapter 143B of the General Statutes, and the business does not receive
26 any such discretionary incentives, then any records regarding such project are not subject to
27 disclosure pursuant to this Chapter. Once the provisions of this subsection no longer apply, the
28 agency shall disclose as soon as practicable, and within 25 business days, public records
29 requested for the announced project that are not otherwise made confidential by law. An
30 announcement that a business or industrial project has committed to expand or locate in the

33 location for the project has been determined, local government records must be disclosed, upon
34 request, in accordance with the provisions of this section. For purposes of this section, "local
35 government records" include records maintained by the State that relate to a local government's
36 efforts to attract the project.

38 projects that are in the custody of the Department of Commerce or an entity with which the
39 Department contracts pursuant to G.S. 143B-431A shall be treated as follows:

40 (1) Unless controlled by another subdivision of this subsection, the records may
41 be withheld if their inspection, examination, or copying would frustrate the
42 purpose for which the records were created.

43 (2) If no discretionary incentives pursuant to Chapter 143B of the General
44 Statutes are requested for a project and if the specific business decides to
45 expand or locate the project in the State, then the records relating to the
46 project shall not be disclosed.

47 (3) If the specific business has requested discretionary incentives for a project
48 pursuant to Chapter 143B of the General Statutes and if either the business
49 decides not to expand or locate the project in the State or the project does not
50 receive the discretionary incentives, then the only records relating to the
51 project that may be disclosed are the requests for discretionary incentives

1 pursuant to Chapter 143B of the General Statutes and any information
2 submitted to the Department by the contracted entity.

3 (4) If the specific business receives a discretionary incentive for a project
4 pursuant to Chapter 143B of the General Statutes and the State or the
5 specific business announces a commitment to expand or locate the project in
6 this State, all records requested for the announced project, not otherwise
7 made confidential by law, shall be disclosed as soon as practicable and
8 within 25 days from the date of announcement."

26 **SECTION 56.6A.(d)** This section becomes effective October 1, 2014.

27 **SECTION 56.7.** G.S. 143-64.17B reads as rewritten:

28 "**§ 143-64.17B. Guaranteed energy savings contracts.**

29 (a) A governmental unit may enter into a guaranteed energy savings contract with a
30 qualified provider if all of the following apply:

31 (1) The term of the contract does not exceed 20 years from the date of the
32 installation and acceptance by the governmental unit of the energy
33 conservation measures provided for under the contract.

34 (2) The governmental unit finds that the energy savings resulting from the
35 performance of the contract will equal or exceed the total cost of the
36 contract.

37 (3) The energy conservation measures to be installed under the contract are for
38 an existing building or utility ~~system~~ system, or utility consuming device or
39 equipment when the utility cost is paid by the governmental unit.

40 (b) Before entering into a guaranteed energy savings contract, the governmental unit
41 shall provide published notice of the time and place or of the meeting at which it proposes to
42 award the contract, the names of the parties to the proposed contract, and the contract's purpose.
43 The notice must be published at least 15 days before the date of the proposed award or meeting.

44 (c) A qualified provider entering into a guaranteed energy savings contract under this
45 Part shall provide security to the governmental unit in the form acceptable to the Office of the
46 State Treasurer and in an amount equal to one hundred percent (100%) of the guaranteed
47 savings for the term of the guaranteed energy savings contract to assure the provider's faithful
48 performance. Any bonds required by this subsection shall be subject to the provisions of Article
49 3 of Chapter 44A of the General Statutes. If the savings resulting from a guaranteed energy
50 savings contract are not as great as projected under the contract and all required shortfall

1 payments to the governmental unit have not been made, the governmental unit may terminate
2 the contract without incurring any additional obligation to the qualified provider.

3 (d) As used in this section, "total cost" shall include, but not be limited to, costs of
4 construction, costs of financing, and costs of maintenance and training during the term of the
5 ~~contract.~~ contract less the application of the utility company, State, or federal incentives, grants,
6 or rebates. "Total cost" does not include any obligations on termination of the contract before
7 its expiration, provided that those obligations are disclosed when the contract is executed.

8 (e) A guaranteed energy savings contract may not require the governmental unit to
9 purchase a maintenance contract or other maintenance agreement from the qualified provider
10 who installs energy conservation measures under the contract if the unit of government takes
11 appropriate action to budget for its own forces or another provider to maintain new systems
12 installed and existing systems affected by the guaranteed energy savings contract.

13 (f) In the case of a State governmental unit, a qualified provider shall, when feasible,
14 after the acceptance of the proposal of the qualified provider by the State governmental unit,
15 conduct an investment grade audit. During this investment grade audit, the qualified provider
16 shall perform in accordance with Part 1 of this Article a life cycle cost analysis of each energy
17 conservation measure in the final proposal. If the results of the audit are not within ten percent
18 (10%) of both the guaranteed savings contained in the proposal and the total proposal amount,
19 either the State governmental unit or the qualified provider may terminate the project without
20 incurring any additional obligation to the other party. However, if the State governmental unit
21 terminates the project after the audit is conducted and the results of the audit are within ten
22 percent (10%) of both the guaranteed savings contained in the proposal and the total proposal
23 amount, the State governmental unit shall reimburse the qualified provider the reasonable cost
24 incurred in conducting the audit, and the results of the audit shall become the property of the
25 State governmental unit.

26 (g) A qualified provider shall provide an annual reconciliation statement based upon the
27 results of the measurement and verification review. The statement shall disclose any shortfalls
28 or surplus between guaranteed energy and operational savings specified in the guaranteed
29 energy savings contract and actual, not stipulated, energy and operational savings incurred
30 during a given guarantee year. Any guaranteed energy and operational savings shall be
31 determined by using one of the measurement and verification methodologies listed in the
32 United States Department of Energy's Measurement and Verification Guidelines for Energy
33 Savings Performance Contracting, the International Performance Measurement and
34 Verification Protocol (IPMVP) maintained by the Efficiency Valuation Organization, or
35 Guideline 14-2002 of the American Society of Heating, Refrigerating, and Air-Conditioning
36 Engineers. If due to existing data limitations or the nonconformance of specific project
37 characteristics, none of the three methodologies listed in this subsection is sufficient for
38 measuring guaranteed savings, the qualified provider shall develop an alternate method that is
39 compatible with one of the three methodologies and mutually agreeable to the governmental
40 unit. The guarantee year shall consist of a 12-month term commencing from the time that the
41 energy conservation measures become fully operational. A qualified provider shall pay the
42 governmental unit or its assignee any shortfall in the guaranteed energy and operational savings
43 after the total year savings have been determined. In the case of a governmental unit, a surplus
44 in any one year shall not be carried forward or applied to a shortfall in any other year."
